ASSEMBLY OF ACCESSORIES

- Assembly of enclosure accessories, e.g. cable glands, belt / pocket clips, tilt foot bars, wall mountings, hinges, handle bars and much more.
- Application of decor foils, type plates, display windows, mounting pillars etc.
- Mounting of assemblies, installation of components.
- Assembly and packaging to customer's specifications, e.g. seals, fibre optics etc.

For individual mounting and configuration, we can offer a wide range of fasteners, e.g. threaded bushes and bolts, spacers, mounting pillars, screws etc.
